The Supplier shall not be entitled to assign its rights and/or obligations under the Agreement to any third party, including but not limited to other companies within the same company group, without prior written approval from the Buyer. Such approval shall not be unreasonably withheld.

Unless stated otherwise in the Purchase Order, the Supplier is allowed to use sub-contractors to carry out the agreement. However, the Buyer's written approval is needed if the performance of the Agreement requires particular expertise with regard to the Services to be performed or it entails sub-contractors receiving access to classified information. The Buyer will not withhold such an approval unreasonably.

Unless otherwise stipulated the Supplier remains responsible for the performance of the Agreement, notwithstanding the use of any subcontractors.

The Supplier shall ensure that subcontractors undertake to comply with obligations equivalent to as those undertaken by the Supplier towards the Buyer in relation to corporate social responsibility, secrecy and security.

To this effect, force majeure shall be defined as an event

In case such delivery of substitute Deliverables is possible, the Supplier shall deliver such without undue delay.

If the force majeure event continues beyond 60 (sixty) Days – not necessarily consecutive, but within the same 120 (one hundred and twenty) Days – each party shall be entitled to terminate the Agreement.

In such instance, the Supplier shall be entitled to receive payment for Services performed and/or Spare Parts delivered until the force majeure event occurred, and Buyer shall only be liable to pay an amount

Neither party shall make any claim against the other party based on a force majeure event.

12.6 Non-waiver and amendments

Any consent to or waiver of any provision or breach shall not constitute consent to or a waiver of such provision or breach in the future. Any specific consent or waiver shall be in writing and shall only affect the relevant breach.
